Winick Realty Group inks two leases in Corona, Queens

New York City (January 24, 2012) Winick Realty Group said that children's retailer Youngworld leased 30,000 sq. ft. for a new three-story location in the Corona section of Queens, N.Y.

The retailer has been a part of the community for more than 30 years, previously operating a 20,000-sq.-ft. location nearby. Built after the address had been ravaged by fire, the new, all-glass construction features 18-ft. ceilings and three floors of retail measuring 10,000 sq. ft. apiece.

Youngworld's former 20,000-sq.-ft. space has subsequently been leased to drugstore chain Duane Reade, who is currently renovating the space and plans to open later this year.
